Mather Sports Village

Dear Mr. Bibbins:

On behalf of the San Francisco Giants, we offer our support for the Mather Sports Village. This type of initiative will provide much-needed recreation and sports opportunities for children of the surrounding communities and throughout Northern California. Simply put, there are not enough safe places for kids to come together to play sports and to experience the outdoors. We are hopeful that the Mather Sports Village will serve as a major community gathering point for this region and will inspire future generations of young athletes to pursue their dreams.

We wish you continued success in this important endeavor.

Sincerely,
